The SLGM is pleased to announce that Brownlee LLP has agreed to support and sponsor the SLGM Award of Excellence.

Brownlee LLP has a long and distinguished history of providing administrative and municipal government legal service to municipal clients throughout Alberta, the Yukon and the Northwest Territories.

Brownlee LLP was founded in the late 1930's by the late John E. Brownlee, the fifth Premier of Alberta. Due to the large number of municipal clients represented by Brownlee LLP and their diverse needs, Brownlee LLP has built a Municipal Legal Team of approximately 40 lawyers, whose main areas of practice focus on municipal and municipally-related work. This is the largest practice group of its kind in private practice in Western Canada. Given its long-standing relationships with municipalities and various municipal associations, including the education of municipal managers and administration, Brownlee LLP is honored to further its long-standing relationships with municipalities and municipal associations, and its support for the education of municipal managers and administration, by this commitment to the SLGM through its support and sponsorship of the SLGM Award of Excellence.
